**Barbara's Favorite
Dances To Play
As of June 2004**

These lists provided for ideas only;
the program can include lots of
other dances.

I can supply sources and dance
directions to any of the above.

We prefer a program with mostly
8x32 dances with mostly
traditional-style tunes.

Two or three 4x32s / 8x40s /
8x48s etc are fine.

Not too many long talk-throughs.

Not too many unknowns.

=====

**Ideally on an 18-dance
program:**

6 "Reels" (4-5 "high-energy" plus
1-2 "marchy")

6 "Jigs" (4-5 jigs plus 1-2 "two-
steps")

6 "Strathspeys" (4-5 8x32
strathspeys plus 1-2 short and/or
"marchy" or a medley)

Either 2 or 3 sections.

Begin each section with a jig or
"marchy" reel.

End 2 sections with "high-energy"
reels.

Do you want a Grand March?
Do you want National Anthems?

Do you want Auld Lang Syne?

We'll come with some Waltzes,
Gay Gordons, Marches for
Warmups, Intermissions, etc.
